Dear Applicant,

As your project falls within the boundaries of Livingston Parish Drainage District 1 (LPGDD1), it must be reviewed and approved by the LPGDD1 board. Please be informed of the following timelines for our review process:

Drainage Impact Study (DIS) and Construction Plans: Initial review will take approximately 20 business days. Any responses to our review comments will require an additional 10 business days for evaluation.

Preliminary Plats and Site Plans: Initial review will take approximately 10 business days.

Resubmittals: Review will take approximately 5 business days.

Once all necessary information has been received and reviewed, the submittal will be placed on LPGDD1's agenda for consideration. A Letter of No Objection will be issued only after board approval and payment of invoice.

Please note all work is billed directly to the applicant.

LPGDD1's board meetings are held on the 2nd and 4th Tuesday of each month. To ensure your project is included on the agenda and comply with public meeting laws, all comments must be fully addressed by the close of business the Thursday before the scheduled meeting.
